I assume that once the stadium is built you won't put a scarf around your neck and attend games and matches at Victoria Park and the National Aquatics Centre.

[Lynton Philip](#) so I've not commented on the merits of Victoria Park, I accept that two independent reports have found this to be the solution and we now need to move forward and make sure we have the best possible Games we can.

My point is about the need to redistribute that lost green space into our suburbs.
