Mr. John Sosso,

EIGHT MILE PLAINS. Q. 4123.

Dear John,

I was very pleased to receive your letter of 5th September and certainly appreciate your kind remarks.

Naturally I was interested in your desire to join Young Labor and, for this purpose, I have passed your letter to the Queensland Central Executive of the Australian Labor Party and asked them to be good enough to have someone from Young Labor contact you.

With best wishes,

Yours sincerely,
